To attest to this, they decided to offer their customers a beneficial warranty.

KEBO certifies that its products will meet your needs with their style, but also with their manufacturing quality. To make sure that they are reliable and safe, each product was carefully inspected, tested and approved during the quality control process that is in place.

**What are the exclusions?**

This warranty is applicable on all KEBO products purchased on or after January 1<sup>st</sup>, 2008.

The warranty doesn't apply if the product is damaged as a result of misuse, overuse, a non-residential use, neglect, lack of maintenance or the use of corrosive or abrasive products, regardless of the person who did those damages. The warranty does not cover shipping and labour costs. The warranty does not apply to the normal tear and wear of the goods.

In cases where the water supply is done through walls, the product's performance may be affected, which is not covered by the warranty.

The warranty doesn't cover the damages caused by the acts of God or breakage resulting from a shock or mishandling, regardless of the part played by the buyer or the installer. It also excludes the damages caused by an improper installation.

KEBO doesn't cover damages caused by a water leak, even if they result directly or indirectly from a product defect, except where the applicable legislation does not allow such a deduction or compensation for damage or loss of income.

It is fair to say that if the product has a manufacturing defect, it will show as soon as it is installed or shortly after. However, a leak caused by an improper installation could happen a long time after. Therefore, it is strongly advised to have it done by a professional.

**All warranty claims must include the invoice copy.**

Should a part or product component be defective or the finish damaged following a normal domestic and residential use, KEBO commits to replacing the defective part(s) to the first buyer only. KEBO could also, in its sole discretion, commit to offer a full replacement. No indemnity shall be claimed for loss of enjoyment of life, loss of income or losses caused by water.
